Updates:

Compass + Future Skills Questionnaire: Virtual Training

Session 1: Get Started with FSQ (Tuesday 5th March 3.30-4.30pm)

Learn about the questionnaire the different versions, suggested delivery times. How to generate and share the links and the wealth of resources to support delivery. [Click here to join](#)

Session 2: Optional Drop In (Tuesday 12th March 3.30-4.30pm)

Following session 1 if you have any additional questions this drop-in support can help. Join the session to ask any questions, talk through your delivery plan or to be guided through generating your links. [Click here to join](#)

Session 3: Analysing your data (Tuesday 19th March 3.30-4.30pm)

This session will guide you through the Summary and Detailed reports that your questionnaire will generate. You will learn how to filter the information and how to find out which specific pupils may need additional support. [Click here to join](#)
